

Prepare for YOUR next step!

Do you want to be better prepared for the Scholastic Aptitude Test (SAT)? Pennsylvania College of Technology can help get you ready for success. Through live instruction, self-paced learning, and individual interaction with professional instructors, the focus will be on math, English, and reading. An optional writing session is also available if you want to review and practice your college-ready writing skills with a Penn College professor.

Math, English, and Reading—\$299
