Six students from St. John Neumann Regional Academy have been designated AP Scholars by the College Board in recognition of their outstanding success on the college-level Advanced Placement (AP) Examinations.

The College Board’s Advanced Placement Program is an4 recognized and academically prepared students with college-level courses while they’re still in high school, and those who are well-prepared or both for successful performance on the exams. AP Scholars represent less than 1% of 1.8 million students worldwide who took AP exams performed well enough to earn an AP Scholar designation.

St. John Neumann Regional Academy recognizes several levels of AP Scholars to honor students’ performance on AP Exams.

- The AP Scholar with Honor Award recognizes students who have achieved a 3.5 or higher on all AP exams taken, and 3.0 or higher on at least one of these exams.
- The AP Scholar with Distinction Award by earning an average score of at least 4.0 on all AP exams taken, and 3.5 or higher on at least one of these exams.
- The AP Scholar with Distinction Award recognizes students who have achieved a 4.0 or higher on all AP exams taken, and 3.5 or higher on at least one of these exams.

Alana Androvette is the son of Dr. William and Mrs. Barbara Roman and is attending the University of Scranton majoring in Economics and Political Science.

Adam Buchheit is at the Main campus of Joseph the Worker Parish, from St. John Neumann Regional Academy.

Zachary Buchheit.

Barbara Roman and is attending the University of Scranton majoring in Biology/Pre-Med track.

Androvette, Gregory Kist is the son of Paul and Barbara Roman and is attending the University of Scranton majoring in Economics and Political Science.

Parents don’t expect to have this happen once, let alone four or five of them. They thought that the exams were to be treated with respect and four of them ended up with a very poor grade.

This was a very poor grade to receive, to be sure, but it was not the end of the world for these students. They were able to regroup and improve their performance on future exams.

In addition to the tests for the parents, a “Smile From Jenny” package will also include bandages, first aid supplies, toothbrush, toothpaste, dental floss, band aids, hand sanitizer, and napkins. These items are all essential for the survival of our ancient tribe.

Once they were able to overcome the initial setback, they were able to regain their confidence and continue to perform well on future exams.

Androvette, Gregory Kist, was given handmade blankets during her hospital stay. She still has them today. I wanted to be able to do this for other children who were life-flighted.

Jenny treasures her blankets and sleeps with them most nights.

She is at the Main campus of Joseph the Worker Parish, from St. John Neumann Regional Academy.
